# BUILDING A SUSTAINABLE QUALITY CULTURE: FROM INTERNAL QUALITY ASSURANCE TO EXTERNAL ACCREDITATION

---

29<sup>th</sup> & 30<sup>th</sup> OF APRIL, 2019

LEVATIO HOTEL, MUSCAT - OMAN

[www.CLI-CKS.com](http://www.CLI-CKS.com)

## Program Overview

Crucial to the development of a quality culture is the need to develop an integrated internal quality assurance system that promotes quality enhancement and which takes into consideration the particularities and context of individual institutions and that help respond to the needs of external quality assurance agencies. The aim of this two day 'hands-on' program is to raise awareness on how to develop and sustain an internal quality culture and to build capacity among universities and colleges to enable them to develop internal quality assurance systems that are embedded in the strategies and

culture of their institutions and aligned with external national and international accreditation agencies requirements.

Throughout the program emphasis will be placed on how internal and external HE Quality Assurance is delivered internationally, with special focus on the UK, EHEA and the Arab region.

## Program Outcomes

By the end of the program, participants will be expected to:

-  Strengthen their understanding of the current issues pertinent to implementing quality, quality assurance and quality enhancement in Higher Education.
-  Analyze various approaches and tools for quality assurance in the context of HE
-  Develop and implement an effective and integrated internal quality assurance (IQA) system.
-  Develop and promote an institution-wide culture for quality and quality enhancement.
-  Discuss various approaches to monitor and assess internal quality assurance systems and to ensure their continuing effectiveness.
-  Share best practices and learn from each other
-  Understand the QAA system in the UK and how their institutions are quality assured

## About QAA

### The Quality Assurance Agency (QAA)

QAA is the independent UK quality assurance agency that safeguards standards and quality in higher education. We work across the UK to raise standards and quality of higher education.

In the UK, QAA maintains the UK Quality Code for Higher Education, externally reviews higher education providers, and develops training, guidance and events to assist providers to enhance the education they deliver.

Beyond the UK, we use our more than 20 years' experience of assuring and developing higher education quality to support the development of quality assurance systems worldwide.

Specifically for institutions, we review and report on the quality of their higher education and courses through our International Quality Review (IQR) method.

The review aims to offer Non – UK providers opportunities to:

- Demonstrate that their quality assurance systems conform to international standards (ESG Prt 1)
- Evaluate and improve their quality assurance systems
- Non – UK providers to demonstrate that their quality assurance processes are effective and comparable with international best practice

The QAA is a member of ENQA, INQAAHE, associate members of APQN and are registered with EQAR.
